ASSOCIATES LEADERSHIP DEVELOPMENT PROGRAM

Engaging Diverse Talent in Core Business Strategies

Purpose.
An engaging and innovative experience providing the leadership tools to successfully navigate in the workplace. Developed for early-career professionals of color, the Associates Program focuses on career growth and building leadership capabilities. Associates develop the insight to become more effective in an organizational culture during a time of major disruption and change.

Overview.
The curriculum for Associates builds competence in three key leadership areas: self-leadership, relationship skills, and organizational skills.

Each class meets virtually in monthly sessions from February-December (except August). Between sessions, Associates meet in smaller groups where they receive both professional coaching and peer feedback in applying what they've learned. Managers of Associates are also provided opportunities to engage in leadership program content during sessions conducted especially for managers of participants. During these offerings, managers consider how to support employees in their leadership development and how to lead diverse teams in a way that promotes productive relationships while connecting with core business strategies.
